Board View 1****EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a rectangular printed circuit board (PCB) assembly, identified as 'Solder Board-Component View 1'. The board is dark green and populated with various electronic components, including a large silver heat sink in the center, a blue integrated circuit (IC) labeled 'V83802A', and several smaller components. The board is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements from 0 to 100 mm. The board's dimensions are approximately 100 mm by 60 mm.
Solder Board-Component View 2	 A photograph of the same PCB assembly, identified as 'Solder Board-Component View 2'. This view shows the underside of the board, revealing the solder joints and the reverse side of the components. The board is placed on the same blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements from 0 to 100 mm. The board's dimensions are approximately 100 mm by 60 mm.
