

Aroot Co., Ltd.

Family Certification Attestation Letter

6/10/2025

FCC ID: WF5-ST11

Models: ST11, BPR-11, SPAD-11

We hereby state that all the models are electrical identical including the same software parameter and hardware design (i.e., circuit design, PCB layout, RF module/circuit, antenna type(s) and antenna location, components on PCB, etc.,), same mechanical structure and design (including product enclosure, materials, etc.,). Only the model name is different.

The main model name is ST11, and the derivative model names BPR-11 and SPAD-11 were intentionally added to provide alternative naming options for other OEM customers. This allows our clients the flexibility to adopt a different model name when introducing the product under their own branding.

We hereby confirm that the design and internal components of all these models are identical.
