

## Modular Approval Request Letter

Dear Sir,

We would like to declare that our product: **iNIC**, Model: **IP1001RR MII**, FCC ID: **WGHWBD000713AA** would like to have your authorization as a modular device which was indicated in FCC Public DA 00-1407, and to have your authorization as a modular approval. The statement is listed below:

1. "The modular transmitter must have its own RF shielding.": The radio portion of this module has been shielded, please see exhibition External Photo.
2. "The modular transmitter must have buffered modulation/data inputs." The EUT has buffered data inputs, it is integrated in chip RT2820
3. "The modular transmitter must have its own power supply regulation." The mini-pci interface provides 3.3VDC, and there is a regulator to convert the 3.3VDC to 1.2VDC, the part number of this regulator is RT8010.
4. "The modular transmitter must comply with the antenna requirements of section 15.203 and 15.204(C)." The EUT meets the FCC antenna requirements. The spurious emission, unique antenna connector and photo of antennas are shown in the test report.
5. "The modular transmitter must be tested in a stand-alone configuration" The EUT was tested in a stand-alone configuration via test board.
6. "The modular transmitter must be labeled with its own FCC ID number, and, if the FCC ID is not visible when the module is installed inside another device, then the outside of the device must also display the FCC ID referring to the enclosed module.  
Please see exhibition Label Sample for the FCC ID of this module. And the module will be installed inside another platform, we also will add FCC ID label in the platform.

7. "The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements." The EUT is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Users Manual.
8. "The modular transmitter must comply with any applicable RF exposure requirements."

The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Please contact me if you have any further questions.

Best Regards,

---
