Subject: Request for additional information

In regards to your recent TCB application referenced above, we kindly request that you provide the following additional information.

1. Thank you for your email. Regarding your response to question 1, the new Cover Letter contains the following mistake: in the last sentence, the EUT is actually classified as a mobile device, and not a portable device. Please revise and resubmit the letter.
2. Regarding your response to question 7, the revised BMX-SPT User's Guide still does not contain the RFX warning statement for mobile operation (in WiMAX mode) (e.g., In order to comply with FCC RF Exposure requirements, when used in WiMAX mode, a minimum separation distance of 20 cm must be maintained between this device and all persons.). Please revise this User's Guide accordingly and resubmit it.

The items indicated above must be submitted before processing can continue on the above referenced application.

Sincerely,

Gregory Czumak
