

**ShenZhen ART-TECH R/C Hobby Co., Ltd**

**Declaration letter**

Date:

Subject: Authorization for adding family models

To whom it may concern,

**Statement**

For our business issue and marketing requirement, we would like to list some model number on the FCC, CE certificates and reports, as following:

Model No.:

Basic Model: ETC61-2.4GHz

Adding model: ETC62-2.4GHz

We declare that there are only a few electrical changes has been made to the equipment. But there is no difference in the RF module and the differences are only in the control circuit. The microcontroller is Atmega16 instead of HT46R23, there are no reverse switches but 6 keys are added. And there are some small changes such as resistors, capacitors, etc. The difference of these covers is few. Please kindly handle on the project.

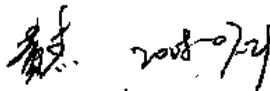

Thank you!

Original report No. is \_\_\_\_\_ (if applicable)
