

Federal Communication Commission
Equipment Authorization Division, Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21048

2009-2-5

Dear FCC Examiner,

Pursuant to the Power of Attorney granted by our client, ShotSpotter Inc., we the undersigned hereby apply for equipment authorization for the following,

Product: ShotSpotter Gunshot Location System Sensor
Model: L3ALV900,
FCC ID: **WLI-L3ALV900**

This application is for a final-packaged-product configuration under an FCC ID selected by, and a grantee code registered to, ShotSpotter Inc. This filing contains the complete information for the final-packaged-product specified in CFR 47 §2.1033. All technical requirements in CFR 47 Part 15 have been met and test results are included in the report titled *EMC_SHOTS_001_08001_15.247_2009*.

This application is NOT intended for a modular approval nor does the final-package-product integrate any FCC approved modules.

The ShotSpotter Gunshot Location System Sensor is tested with all peripheral or accessory devices connected or installed and the finding show the EUT complies with all applicable FCC requirements for grant of equipment authorization.

If you have any questions, please feel free to contact me at the address shown below.

Sincerely,

Peter Mu
