

Letter of Authorization

By this letter of Authorization and in application of the OEM agreement between Destiny Wireless Plc ("Destiny") and Logitech Europe SA ("Logitech") entered into as of December 20th, 2007, Logitech hereby authorizes the following:

- Destiny may use Logitech test reports of the M/N P-RUE9 (Bluetooth pen) and M/N: P-UD9 (USB Pen) for any purpose in relation with the sales of the pens manufactured by Logitech as per the OEM agreement. These test reports are complying with the EU standards as mentioned below.
- Destiny may use Logitech FCC ID and IC (Industry Canada) ID for the M/N P-RUE9 (Bluetooth pen) manufactured by Logitech as per the OEM agreement.

The test reports are complying with the following EU Standards:

- **USB pen M/N : P-UD9:**
EMC: EN55022: 1998
EN55024: 1998 + A1 (2001)
EN61000-3-2: 2000
EN 61000-3-3: 1995 + A1 (2001)
Safety: EN60950
- **Bluetooth pen, M/N: P-RUE9**
RF: EN300328 v1.6.1
EMC: EN 301489-1 v1.4.1
EN 301489-17 v1.2.1
Safety: EN60950-1

This letter of Authorization does not include or constitute any guarantee of any kind from Logitech. The OEM agreement between Destiny and Logitech is fully applicable to this Authorization Letter.

This authorization may not be transferred in full or partially to a third part. It shall remain in effect
