Micro Beacom

A photograph of a wooden table with a sign and a satellite dish. The table is made of dark wood planks. A grey rectangular sign is attached to the table, with the word "Precyse" on the top line and "Micro Beacom" on the bottom line. A grey satellite dish with a black antenna is mounted on the table. In the background, there is a large white satellite dish on a concrete surface, and a building is visible in the distance.
