

AV|Shadow™ Information Guide

*To find your BlackBerry® PIN go to:
Options > Status > PIN

Enclosed you will find:

- 1 - AV|Shadow unit
- 1 - Power Adapter
- 1 - Set of Audio Cables

Quick Start:

1. On your computer go to Unify4Life.com to create your account using your BlackBerry® PIN* and the serial number located on the AV|Shadow.
2. Follow the instructions on the website to setup your **AV equipment** and **TV listings**.

3. Once you have set up your **devices** and **TV listings** information, you may log out of the website.

4. You will receive an email on your BlackBerry® smartphone with a link to download the application. After your web setup is complete please click on the link to download the application.

5. Before entering the application, plug the AV|Shadow into a power outlet and place it beside your AV equipment with no obstructions. The blue light will turn on and then off. You have 10 minutes to pair. Once you are connected the blue light will turn on. When you are not connected it will turn off.

6. Ensure that your Bluetooth connection is enabled by going to: Manage Connections > Bluetooth ON

7. Enter the AV|Shadow application by clicking on the application icon.

8. Once you enter, you will be asked to pair with the hub. Please click:

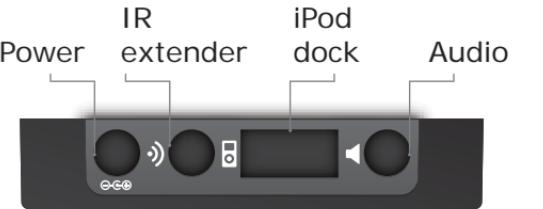

> **Ok**

- > **Add Device** (located in BlackBerry® menu button)
- > **Search**
- > Select **U4L AV Hub**
- > Use **0000** for the passkey
- > **If asked to connect to U4L hub, choose No**
- > Click on the **Escape/Back** key to return to the menu screen
- 9. Setup complete.** See reverse for use instructions
