Attention: Application Examiner / Review Engineer
Subject: Requesting Class II permissive change for FCC ID: **WR9202428847PR**

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive Change under C2PC procedure for FCC ID: **WR9202428847PR**, Original grant date: **October 15, 2024**
Applicant: Ecobee Inc.

The major change filed under this application are the following.

- Added THVD8000DDFR RS485 transceiver with supporting components resistors, capacitors and coil.

This complies to all the applicable conditions 1) through 9) of FCC KDB 178919 Notification 202109-11.

Sincerely

A handwritten signature in black ink, appearing to read "John Russomanno". The signature is fluid and cursive, with a long horizontal stroke at the end.

John Russomanno (CET)
Senior EngineeringTechnologist
