

## Request for FCC Grant Change

FCC Identifier: **WRMRMS-E**

To whom it may concern

The current changes of 47 CFR 15, §15.255, effective August 23, 2023, expand the use of unlicensed FDS devices to mobile applications. The device described in the above mentioned grant operates in the limits of §15.255(c)(2)(v), where no distinction is made between fixed and mobile use.

Therefore we request to remove the sentence "This device is limited to fixed operations only as described in this filing." from the above mentioned FCC grant.

Sincerely,

I.A. Dirk Struve,  
Group Manager RFID
