To Whom it May Concern:

OMNI-WiFi, LLC is seeking an FCC Class II Permissive Change to the OMNI-WiFi FCC ID: WS7-HS28V10, for the following reasons:

- 1) We wish to make the unit weather-tight, utilizing a poly plastic and aluminum case to house the electronics;
- 2) We wish to use the panel antenna built into the new weather-tight case instead of the original antenna.

Sincerely,

Philip Hahn, Technical Officer
OMNI-WiFi, LLC
107 Pine Hill Road
Berwick, Maine 03901
