Class II permissive change request letter

Manufacturer: TELTRONIC, S.A.U

Model: HTT-500-2

Brand: PowerTrunk

FCC ID: WT7PTHTT500760D

We, TELTRONIC S.A.U, pursuant to FCC §2.1043, hereby request the evaluation of a Class II permissive change for the PowerTrunk HTT-500-2 handportable radio as described below.

No changes to conducted output power, modulation or frequency have been made.

The only change introduced in the device has been:

- Antenna: A quarter-wave attachable model with code 300-00498 has been used.

Antenna information, external photos and RF exposure report for this model have been provided.

Yours sincerely,

A blue ink signature of José Román, consisting of a stylized 'J' and 'R' followed by a more fluid, handwritten signature.
