Covering information  
COMAR CSB 200 Class B AIS Transponder  
APPLICATION FOR FCC APPROVAL  
Ref application for FCC ID: WXVCSB200

Dear Sir,

Please find attached the details of the Comar Systems Class B AIS device which we would like considered for FCC Approval.

The unit is a variant of the approved Software Radio Technologies PLC unit with FCC ID SRT-MTB-OEM.

There are no active component differences between the units as confirmed by SRT in the attached document SRT Letter.pdf.

For information the CSB200 has been examined and passed against the above requirements by BABT (UK), BSH (Germany) and the USCG.
