Re: Confidentiality Request for Technical Solutions Inc zRY01 (FCC ID
WYEZRY01)

To whom it may concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the schematic diagrams, Block diagram and BOM required to be submitted with this application, be withheld from public review.

This data, which has been segregated from the non-confidential exhibits, represents confidential commercial information. This information is not otherwise available to the public, cannot be easily reverse engineered from the product, and would cause competitive harm if it were to be made public.

Please contact me if there is any information you need.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Empey", with a long, sweeping horizontal line extending to the right.
