Attention: Application Examiner

RE: Request for Confidentiality  
Applicant: Ampt, LLC  
FCC ID: X3R-I36

To Whom It May Concern:

***Permanent Confidentiality***

Request is hereby submitted by Ampt, LLC to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block Diagrams
- Detailed Operational/Functional Description
- Internal photos (PCBA is encased in potting compound)

***Short-term Confidentiality***

Request is hereby submitted by Ampt, LLC to withhold from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 180 days from the date of Authorization:

- Test setup photos
- External photos
- User manual

***Long term Confidentiality***

Request is hereby submitted by Ampt, LLC to withhold internal photos from public review as the circuit board and internal components are not accessible by users and is enclosed in potting compound. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules.

Rationale for request for confidentiality:

Ampt, LLC has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Robin Richardson". The signature is fluid and cursive, with a large, stylized 'R' at the beginning.

Robin Richardson  
Director of Hardware Engineering  
Ampt, LLC
