### **Change in identification of Equipment**

We Haldor Advanced Technologies Ltd, confirmed by that we use the L40 RFID module ("device") under FCC ID: QHKGMEOL40 the same as it shipped out from original manuf. TAGSYS RFID facilities and we made no changes to the device and its original tests data etc, submitted for the original application remain applicable to the Haldor device as well.

HALDOR Advanced Technologies Ltd has indicated new device with FCC ID: X4V-ORL-L40
