To whom it may concern.

In regards to our certification request for FCC ID: X54-TS-WLC-A

Tara Systems is seeking a change of FCC Identifier accordance with section 2.933 of FCC rules that govern such change.

Tara Systems will not make any changes to the device design, circuitry or construction, and all mechanical and electronic specifications will remain intact.

Tara Systems attests to the fact that the only change to FCC ID: XL5-ICS427-01A will be in labeling regarding the FCC Identifier.

Thank you,
