Subject: Requesting Class II permissive change for FCC ID: X5B-PL6360

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: X5B-PL6360.

There is no hardware or electrical modification made to the applying modular transmitter itself.

The major change filed under this application is

1. The EUT is changed the antenna location, and the antenna gain and antenna type are the same.
2. The EUT is changed the crystal location, and the crystal frequency is the same (16MHz)

Please contact me if you have any questions or need further information regarding this application.

Best Regards
