Re: X5I-XPSA24. contact phone error

To Whom it May Concern,

The contact phone number used on documents labled "FCC Part 1.1310-RF-Exposure Test Report" and "FCC Part 15.247 Test Report" is incorrect. A private non-published phone number was incorrectly provided. The number should be 928-230-1413 which is our published company phone number.

Thank you for your attention in this matter.

Sincerely,

A handwritten signature in black ink that reads "Jim Drew". The signature is fluid and cursive, with a large loop at the beginning and a long horizontal stroke at the end.

Jim Drew, CEO/President
