Gentlemen:

HDC respectfully requests confidentiality of certain materials provided with the submission of the T-25 under FCC ID: X65T25A in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

The T-25 has been developed at considerable effort and expense by HDC. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,
