November 26, 2012

Blackbird Technologies, Inc.
13900 Lincoln Park Drive
Herndon, VA 20171

Dear Sir or Madam:

Telit Wireless Solution has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7GE865 for its radio module which carries the Telit Wireless Solution model number GE865-QUAD.

This letter will grant permission on a one-time basis to Blackbird Technologies, Inc., a company in Herndon, Virginia, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Wireless Solution understands that Blackbird Technologies, Inc. must make this change in order to comply with Federal Communications Commission (FCC) regulations that apply to the installation of this radio into the Blackbird Technologies portable application called Panther. Blackbird Technologies, Inc. is applying for FCC identifier X6K-TEL-001 for this device.

Telit Wireless Solution is supplying the GE865-QUAD to Blackbird Technologies Inc., unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Tucker", written over a horizontal line.

Brian Tucker
Global Vice President of Quality
Telit Wireless Solution
