**Subject:** Re: Fwd: Revised Owners Manual and Additional Information for Theory of Operation Needed

---

Dear Kyle,

Please find the datasheet of the WiFi card attached.  
We don't have a more detailed description available, but if you need more, feel free to contact me and we will see what we can do.

TL-WN861N is the manufacturers part no., but it's the same card, just re-labeled to 3EWIFI01 for Dension.

Best Regards,  
Zoltan Devai
