Re: FCC ID: X6P-0003441

To Whom It May Concern:

The following application is submitted on behalf of our client, HomeRun Holdings, for evaluation of their model QR1051433 for certification under FCC Part 15.231.

The QR1051433 is a stand-alone device which is either wall mounted or handheld. This device was tested in three orientations which represent normal intended operation. The QR1051433 connects to the AC power lines indirectly, obtaining its power through a computer which is connected to the AC power lines.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.

Sam Wismer
