To Whom It May Concern

Subject: RF Tuning of Iridium 9601 Transceiver

Applicant: GeoPro LBS Inc.
FCC ID: X7BGPM1000

Dear Sir/Madam:

The firmware of the Iridium 9601 Transceiver module is program/set by its manufacturer (Iridium LLC) limited to power level and channel selection as specified in its FCC & IC modular approval grants. There is no feature for the OEM manufacturers to change these parameters.

Regards,
