

APPLICANT: Matsunichi Communication Holdings R&D (Shenzhen) Co., Ltd.  
FCC ID: XAJDM189

The theory of Mobile Hard Drive DM189:

1. MCU: responsible for communication with PC.
2. MCU crystal frequency is 12MHz.
3. Power circuit: to provide steady power to around circuit.
4. LED display: display current state of DM189.
