Subject: Request for Short Term Confidentiality
FCC ID: XB7IRAM

May 8th, 2012

To Whom It May Concern:

In accordance with §0.459 of CFR 47 and Public Notice DA 04-1705, **I+ME ACTIA GmbH** requests

Short term confidentiality for the following items

1. External Photographs (Exhibit 3)
2. Internal Photographs (Exhibit 9)
3. User Manual (Exhibit 8)

until the product will be publicly announced.

These items contain detailed system and equipment description and related information about the product which **I+ME ACTIA GmbH** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **I+ME ACTIA GmbH** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Best Regards,

On behalf of **I+ME ACTIA GmbH**
