

FCC Class II Permissive Change Request Letter

DATE : 2021.07.10

To FCC:

RE: FCC Permissive II Change Request for Company: AAMP of Florida, Inc. dba AAMP Global
FCC ID: XBD-RM1802

We are submitting an application for a class II permissive change to the FCC approval of the Company
name: AAMP of Florida, Inc. dba AAMP Global
product description: 1-Din Audio Mechless
(FCC ID: XBD-RM1802)
Original Grant Date: 09/13/2018).

Add model: RM1812, RM1811, RM1810 based on the original project.
Compared with the model RM1802, the model RM1812's main hardware moves the USB and AXU
functions of the front panel to the Rear, and leads out a Rear USB/AUX Harness wire. The circuit
and the RF parameters didn't change.

<Signature>

A handwritten signature in cursive script, appearing to read 'Aileen Alhambra'.

Name: Aileen Alhambra
Title: Engineer
Company: AAMP of Florida, Inc. dba AAMP Global
