

SAMPLE LABEL & LOCATION

Refer to the next page

Note:

- The available label area on the device is limited because it is relatively small and has many contoured surfaces, keypads, Lcd displays, charge contacts and other connectors.
- The batteries are designed for easy removal and the label will be visible whenever the batteries are removed for charging or replacement.
- The label will be readily visible at the time of purchase because the device will be marketed without the battery installed.

viliv x70 ^{EX}

Model name: X70 EX

FCC ID : XBO-X70EX
Contains FCC ID : QISEM770W

FC CE 1177 !

This device complies with Part 15 of the FCC Rules.
