Re: Megabyte Limited  
FCC ID: XEK-39-T1  
FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Megabyte Limited requests that the following documents regarding this submission for FCC ID: XEK-39-T1 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	CONF APPENDIX XEK-39-T1_Block Diagram.pdf
Schematics	CONF APPENDIX XEK-39-T1_Schematics.pdf
Operational Description	CONF APPENDIX XEK-39-T1_Operational Description.pdf
Part list	CONF APPENDIX XEK-39-T1_BOM.pdf
Tune-Up-Procedure	CONF APPENDIX XEK-39-T1_Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which Megabyte Limited considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis for which future technological products will evolve, Megabyte Limited considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

Signature:
