

Type Approval Certificate

IsatData Pro (IDP) UE: Models IDP ST6000

ORBCOMM License Corp., the manufacturer of the IDP ST6000 OEM Mobile User Equipment (UE), identified as IDP ST6000 OEM has submitted test data which demonstrates that the said UE when operating in the environmental conditions set forth in its Product Specification meets the applicable technical requirements for use with the Inmarsat Satellite Communications System, subject to the correction of any certain time limited waivers by ORBCOMM License Corp..

ORBCOMM License Corp. has certified that all other units of the same type will meet all technical requirements in a similar manner to the units subjected to test, and that the tests have been conducted in accordance with procedures approved by Inmarsat. The full technical details of the IDP ST6000 OEM UE models are documented in the Product Specification.

Inmarsat does hereby certify that the IDP ST6000 OEM UEs identified herein are acceptable for use with the Inmarsat Satellite Communications System as of the date of this certificate.

Title: Chief Engineer

Signed:

Approval Date: 2nd Oct 2017

1. This certificate does not authorise the operation of the IDP ST6000 OEM UEs in the Inmarsat System. Such authorisation requires registration after installation, in accordance with registration procedures. In addition, the operation of the IDP ST6000 OEM UEs may also be subject to national licensing requirements.

2. This certificate is intended only as formal notification to the manufacturer that Inmarsat has determined, on the basis of test results submitted by ORBCOMM License Corp. using test procedures approved by Inmarsat, that ST6000 OEM UEs models of the type identified herein meet the standards for use with the Inmarsat System. This certificate is not a warranty of the performance or fitness for purpose of the IDP ST6000 OEM UEs and Inmarsat hereby expressly disclaims any and all liability arising out of or in connection with the issuance, use, or misuse of this certificate.
