FCC ID: XHUASD041517

We,

1066 Labs Ltd, located in St-Leonards-On-Sea, East Sussex

confirm under our sole responsibility that the Sorenson XHUASD041517 product can be considered as equivalent to Roombox FCC 2ACYQRB1

The only wireless difference relating to the wireless between Sorenson ASD041517 and Roombox 2ACYQRB1 is:

- Roombox 2ACYQRB1 uses PCB antennas

The remainder of the BOM is identical and the only impact of the other differences relate to radiated performances. The conducted reports numbered '75928172 Report 02 Issue 3' can be leveraged with 100% confidence.

Yours faithfully
