Columbia, MD 21046

SUBJECT: Class II Permissive Change for FCC ID: XIA-NTC140W

The product, **4G WiFi M2M Router**, has been granted by FCC dated 10/14/2014 under FCC ID: **XIA-NTC140W**.

Now we, NetComm Wireless Limited, would like to modify the authorized equipment for the changes below:

- USB connector changed from micro USB type B to micro USB type AB.
- Components on Wi-Fi moved slightly for better isolation performance and solderability near connector.
- PCB color change from Blue to Green to signify released PCB version.

Except for the changes above, no other modification is performed. Also, the changes do not have any impact on the approved radio parameter such as power, frequency range, modulation etc. For details, please refer to the change note exhibit.

Sincerely,

A handwritten signature in black ink, appearing to read "Casey Mak", followed by a solid horizontal line for a signature line.

Casey Mak

Production Manager, NetComm Wireless Limited
