Confidentiality Request regarding application for certification of FCC ID: (XL8EXTPIR1501).

Dear Sirs,

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

- Transmitter Block Diagram
- Transmitter Circuit Diagram
- Transmitter and product internal photographs
- User Manual
- Operational description

The internal photographs should be held confidential as this is a non-consumer product for use in secured properties which are inaccessible to the general public. The product is only serviceable by the licensee.

The user manual and operational description are not provided to the consumer as both are of a very technical nature and the product is not serviceable by the consumer.

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Tom Barnard". The signature is fluid and cursive, with a long horizontal line extending from the end of the "n" in "Tom" to the end of the "d" in "Barnard".

(Tom Barnard)
