Re.: Statement of the change in identification

New FCC ID: XL9W-DBB11

To Whom It May Concern:

Neotech Photoelectric Inc. is marketing under our own New FCC ID, which is multiple listing against INNOTECH SECURITY INC. /Original FCC ID: XLLW-DBB11, granted on Aug. 04, 2009. The equipment marketed differs from the original one in product name. Their circuit and performance are the same, so the original- test results continue to be representative of and applicable to the equipment with the new FCC ID.

Sincerely yours,
