

Dear Application Examiner,

KZCO is seeking modular approval for the 300-0045 wireless transceiver module (FCC ID: XNJ-01). We request that the internal photos remain permanently confidential so that the design is not copied by competitors.

Regards,

A handwritten signature in black ink, appearing to read "Roger Zimmerman". The signature is fluid and cursive, with the first name "Roger" being more prominent than the last name "Zimmerman".
