

Attachment A

Type / Model Name : SPB228-D

Product Description : Combined WLAN/BT module

Applicant : H&D Wireless AB

Address : Färögatan 33

164 51 KISTA, SWEDEN

Manufacturer : H&D Wireless AB

Address : Färögatan 33

164 51 KISTA, SWEDEN

according to

Test Report No. : 80113315-00 to 80113315-02	20. January 2022 Date of issue

1 Photo documentation of the EUT

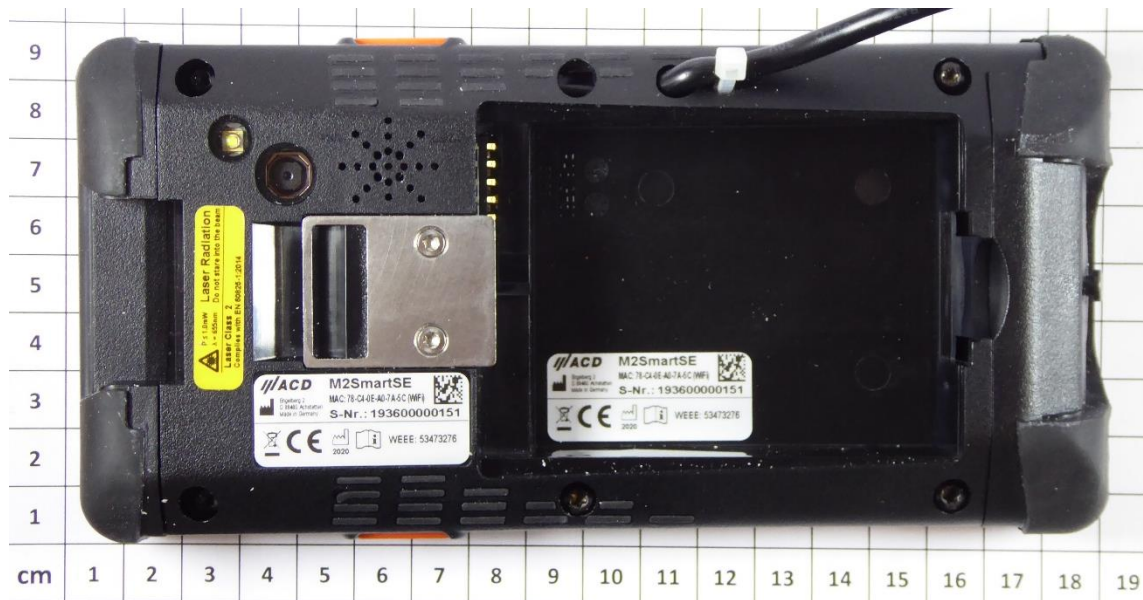

1.1 EUT SPB228-D

combined WLAN/BT
module SPB228-D

1.2 Application - External views

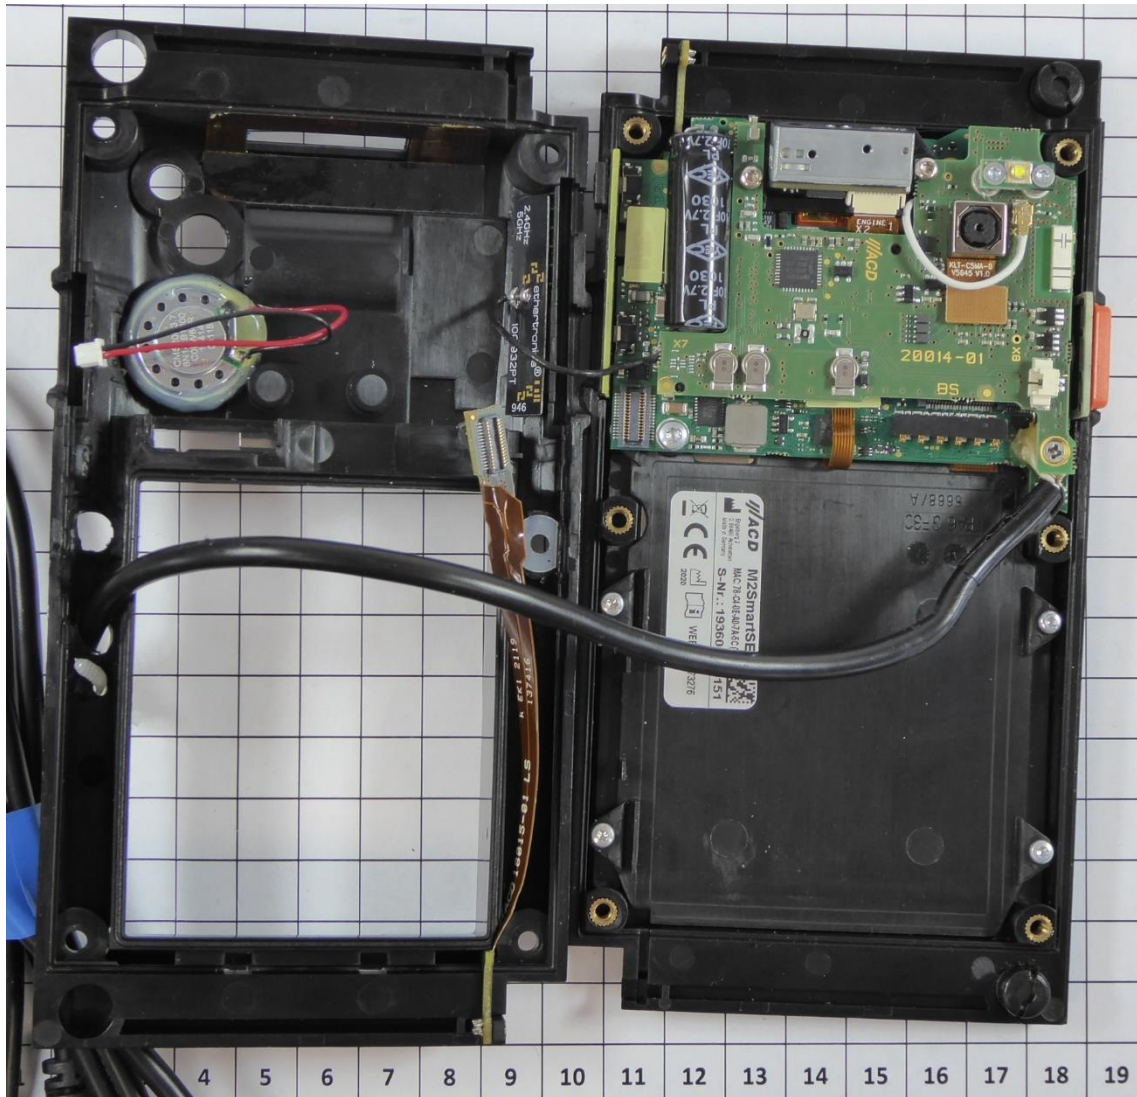

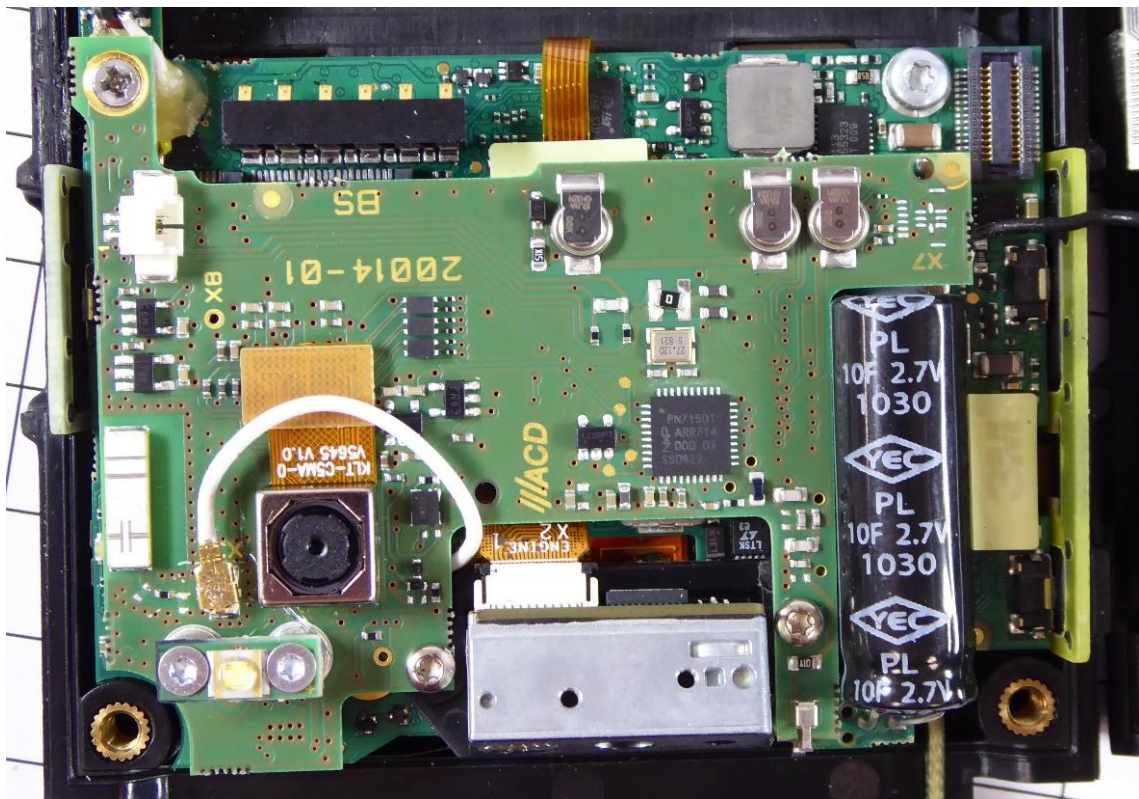

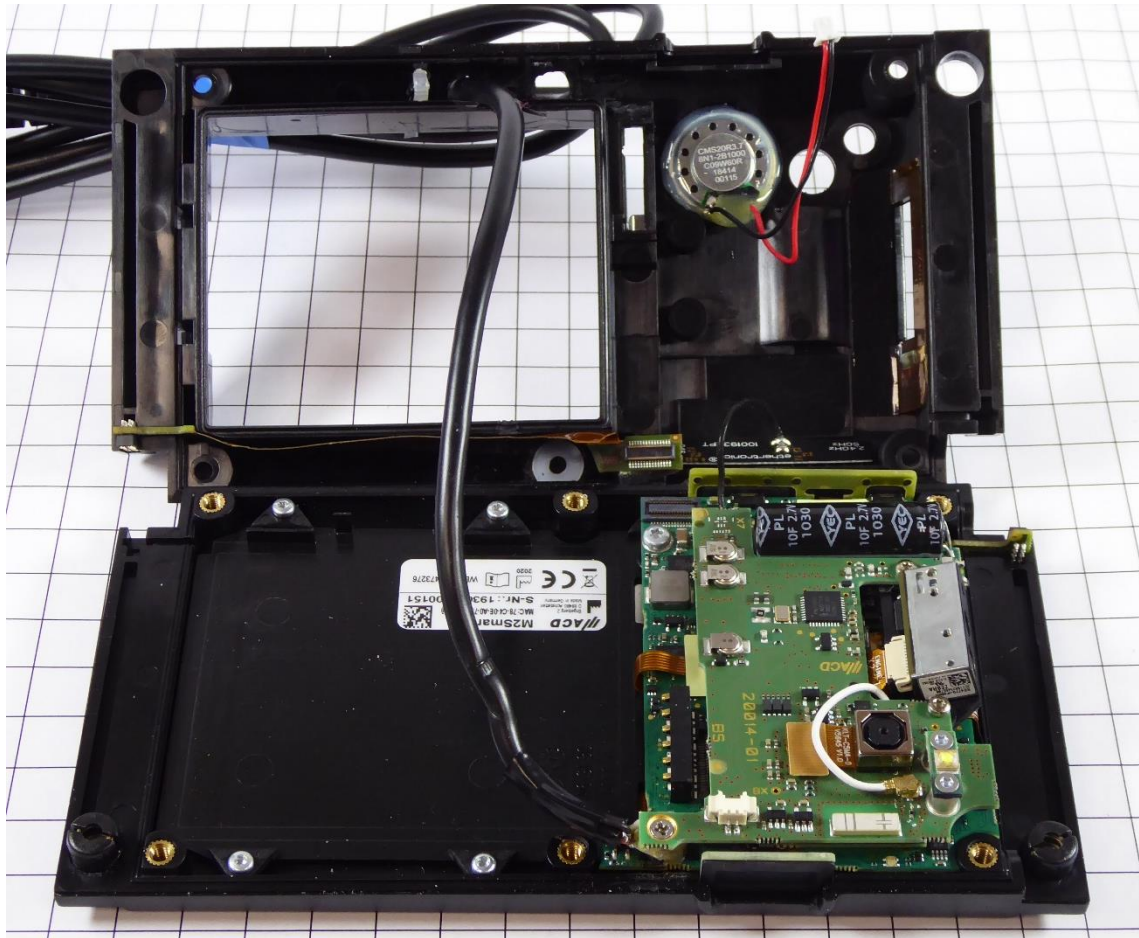

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

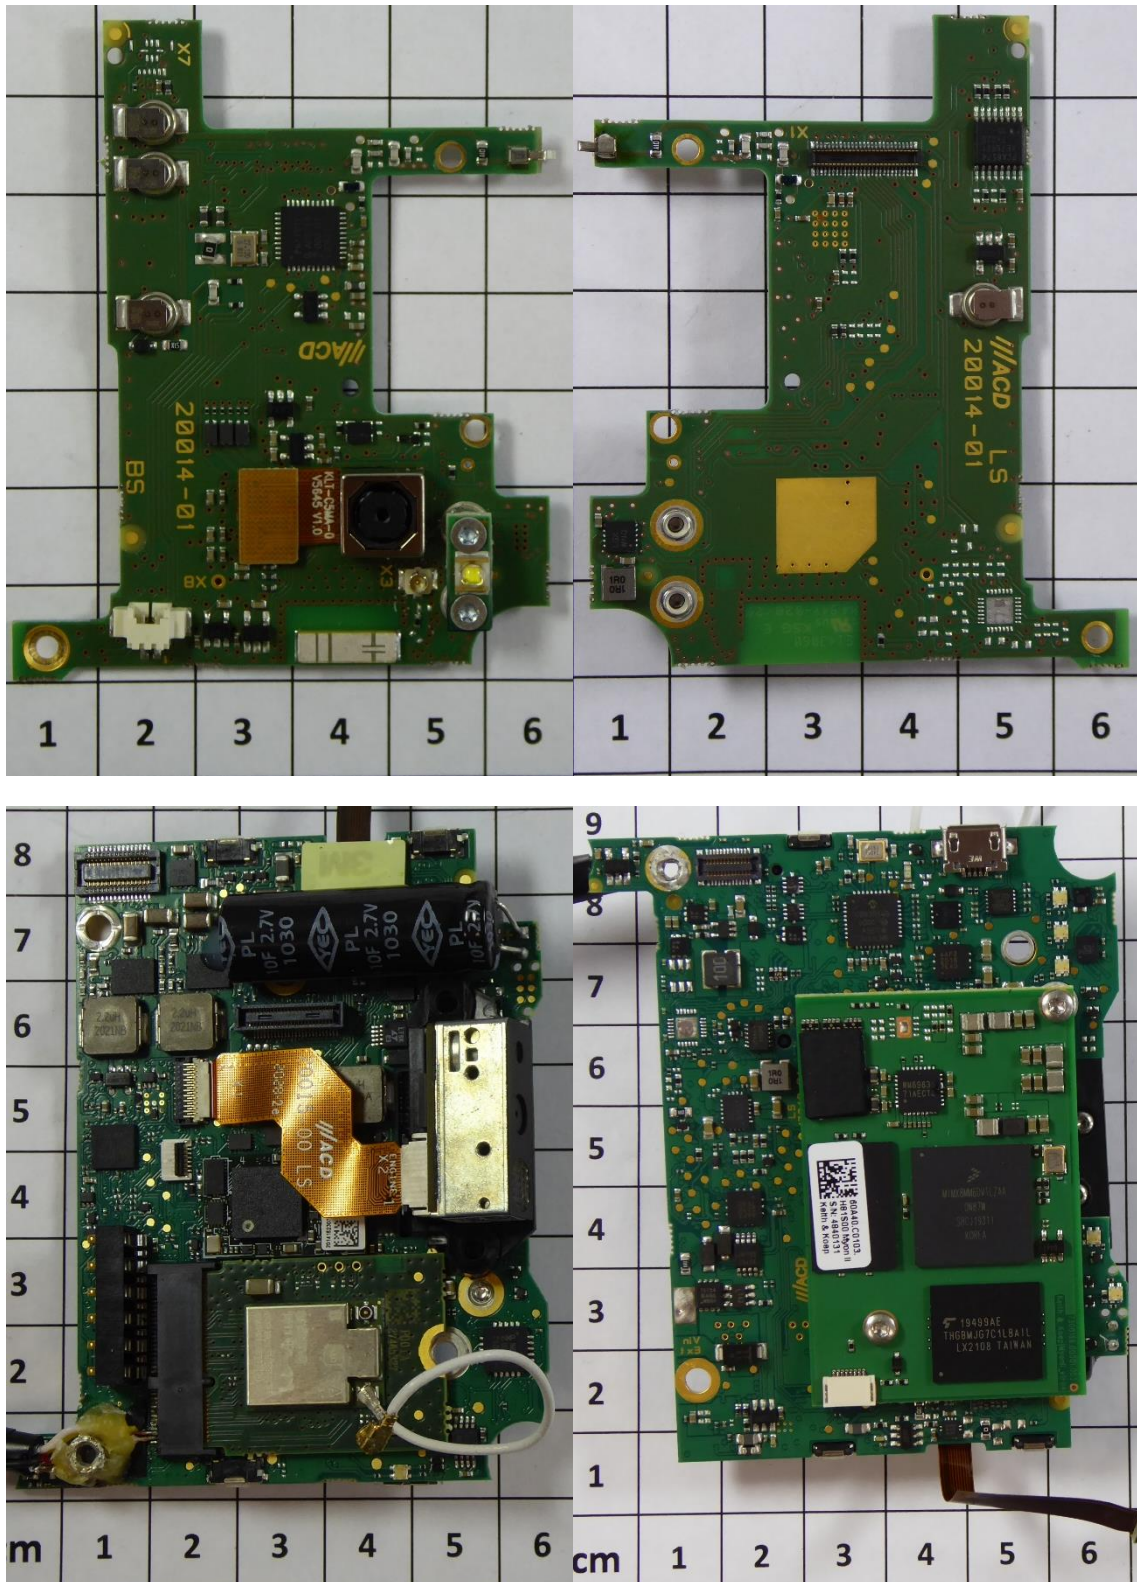

1.3 Application - Internal views

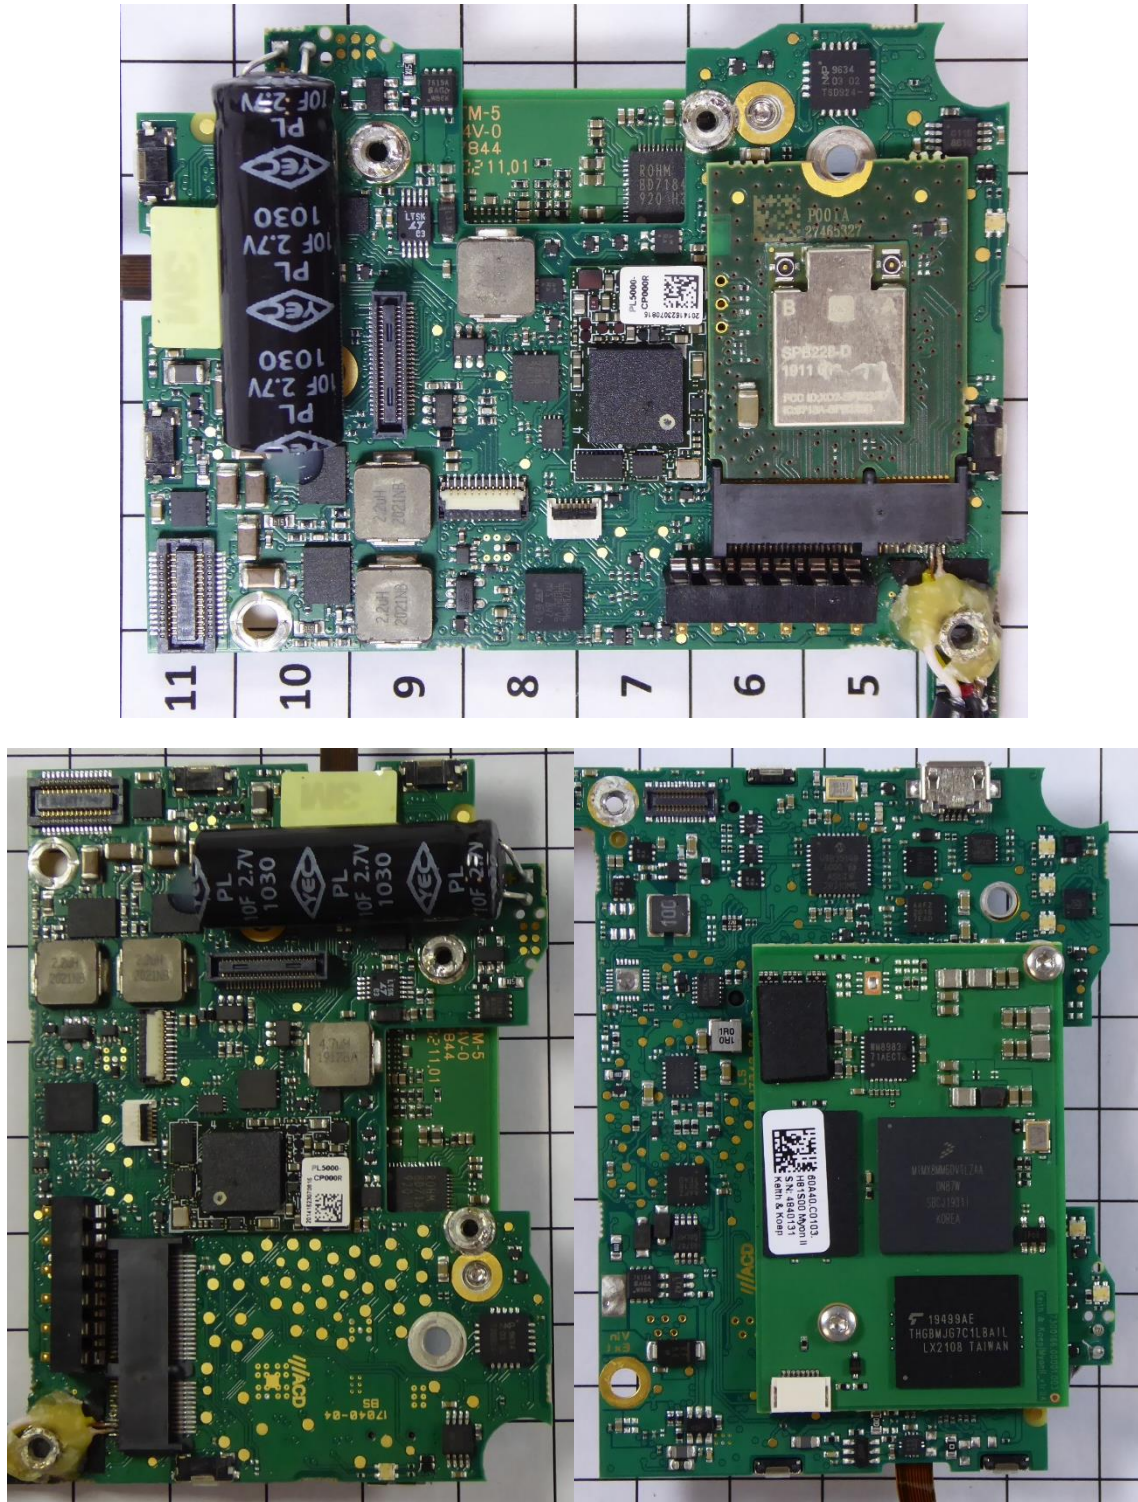

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

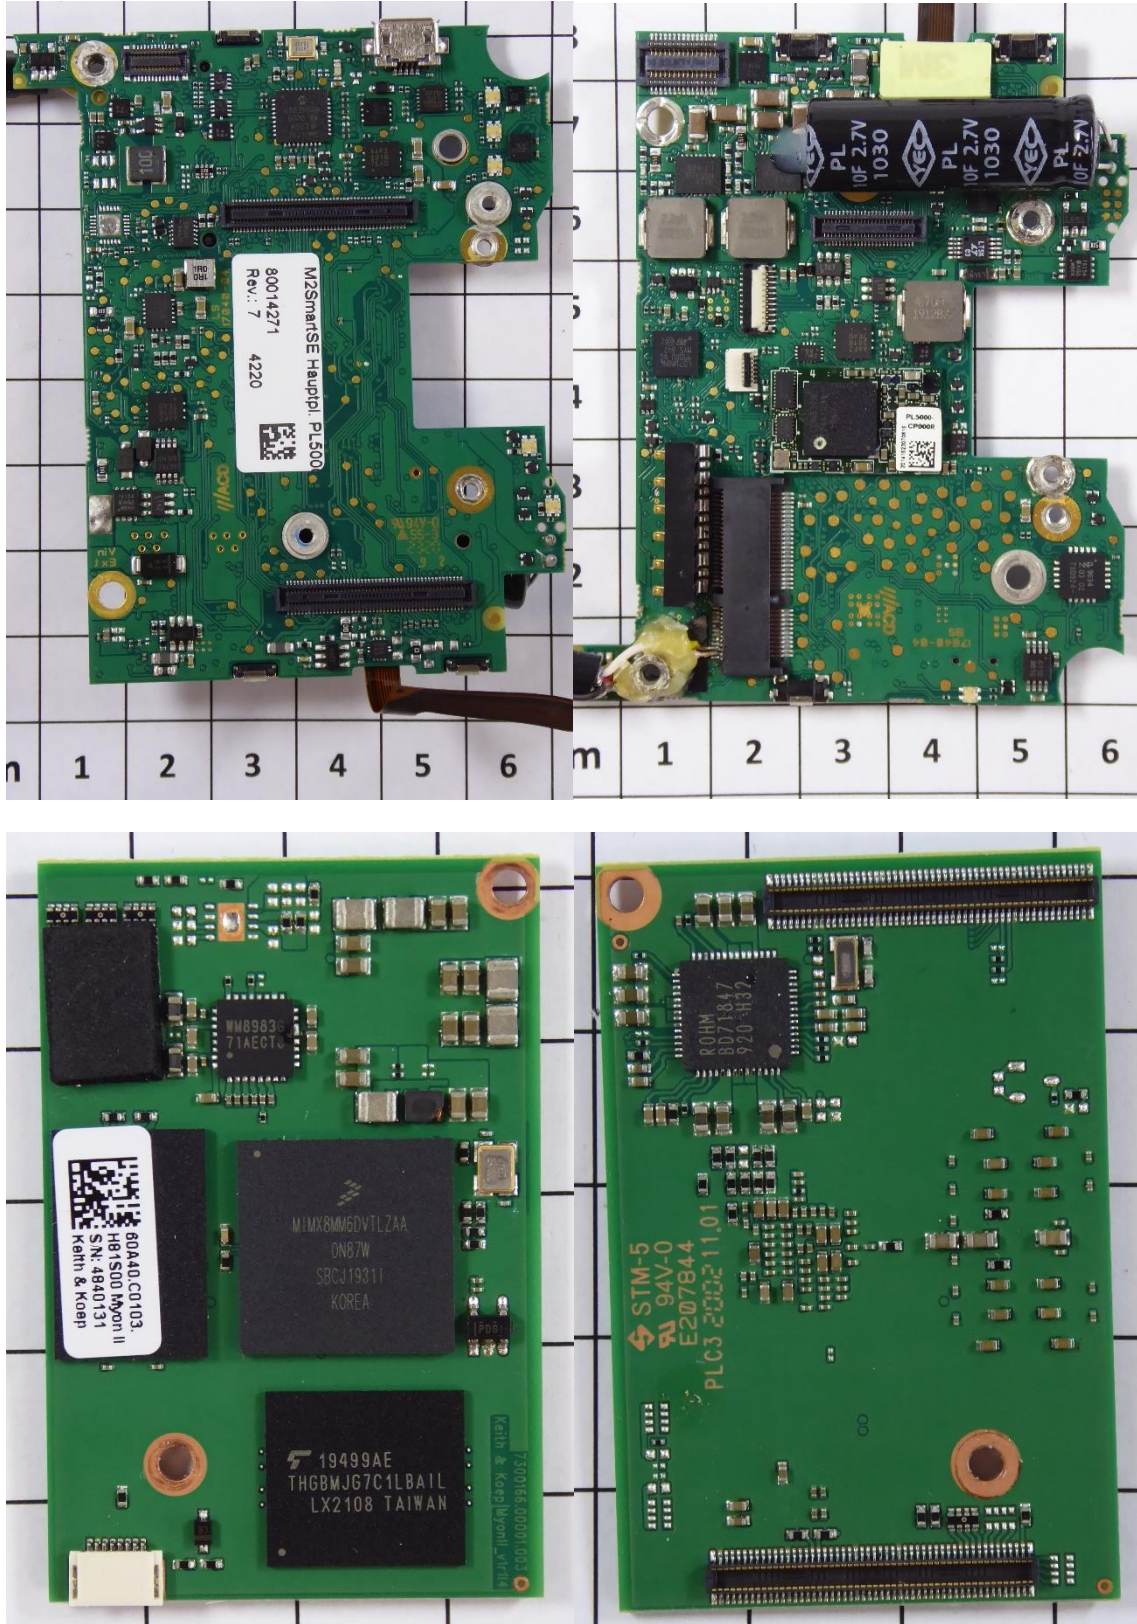

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

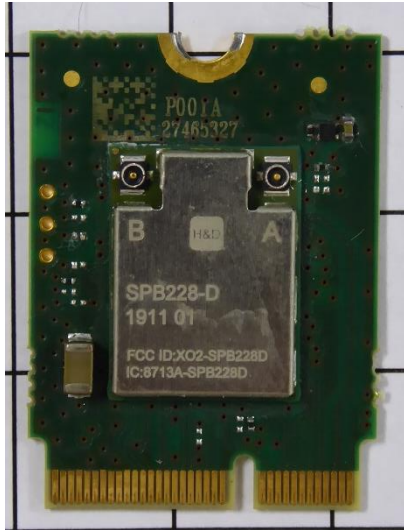

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

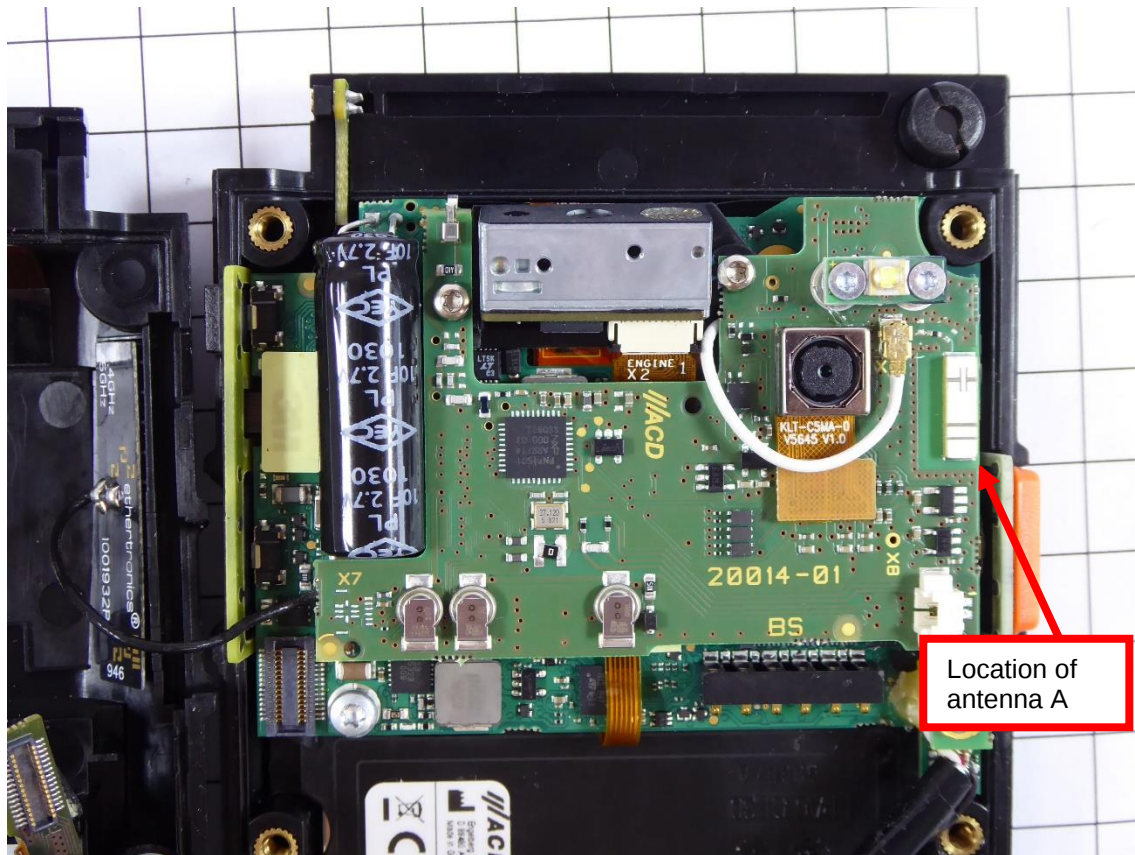

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

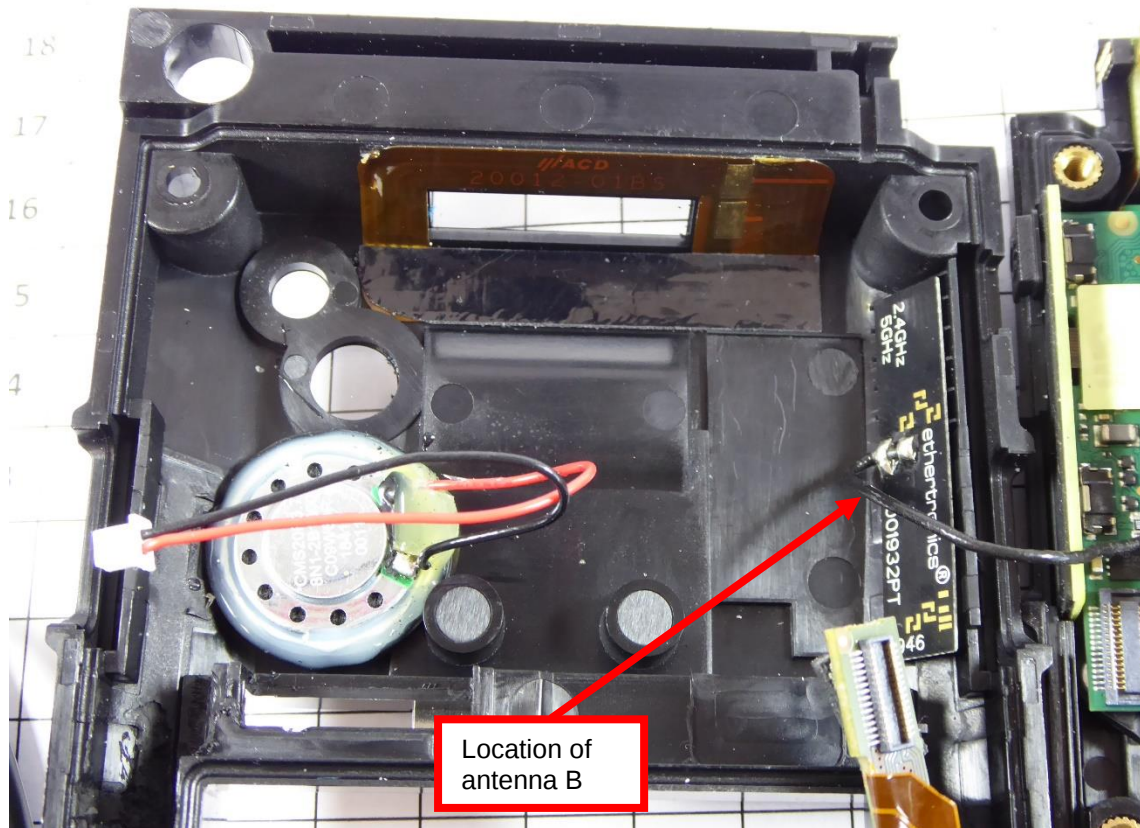

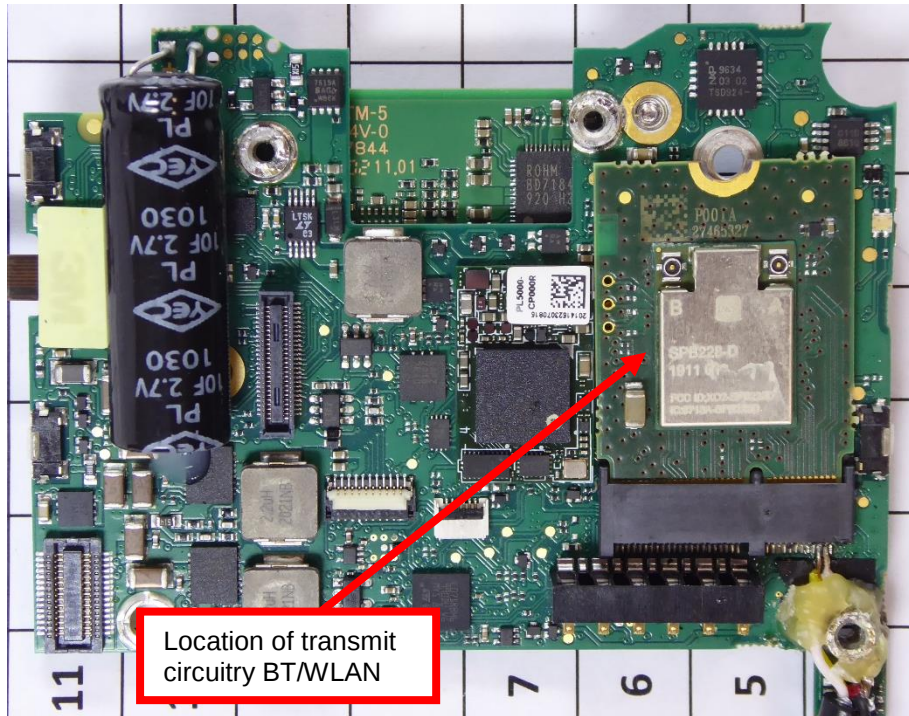

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

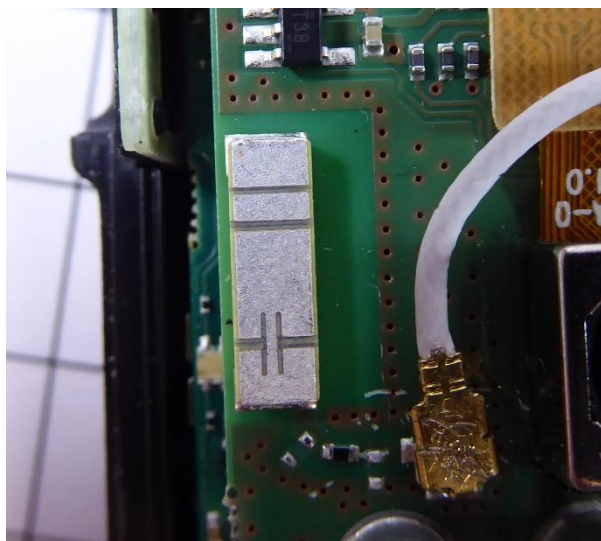

Location of transmit circuitry and antennas:

1.4 Antennas

Antenna A:

Antenna B:

1.5 Ancillary equipment

Docking station:

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

The test report merely corresponds to the test sample. It is not permitted to copy extracts of these test results without the written permission of the test laboratory.

AC adapter of the docking station:

Battery pack (main power supply):
