Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'View 1'. The board is populated with various electronic components, including a large black heat sink, several electrolytic capacitors, and integrated circuits. It features a multi-pin connector on the left and a USB connector on the right. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters and centimeters.
Solder Board-Component View 2	 A photograph of the same green PCB component, labeled 'View 2', showing the reverse side. This view highlights the underside of the components, including the heat sink, capacitors, and various solder joints. The board is positioned next to a black ruler with white markings for scale.
