2

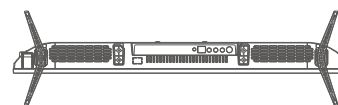

The TV is packaged with the TV stand separated from the cabinet.

To setup the TV table stand, please carry out the installation according to the instructions below.

Always unplug the AC cord first when installing/removing the stand.

Please take note of the base direction:

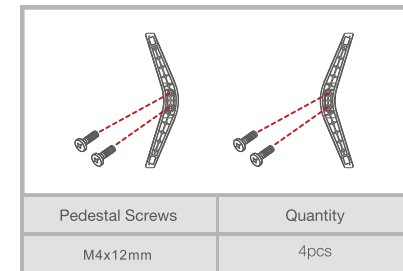

The bottom view of the TV
(Front cabinet faces down)

5

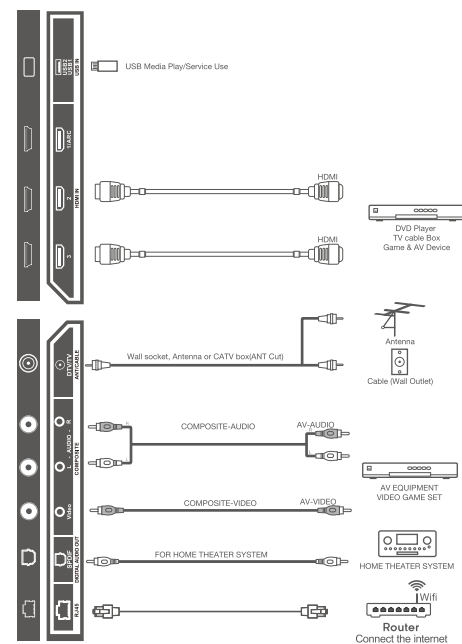

- 1 Place the TV faced down on a soft cloth or cushion to prevent the panel from being damaged. The panel can be scratched easily, so please:

·Choose an absolutely flat surface to place the TV on.
·Use soft cloth or cushion to face the TV panel.
·Do not put TV on the table directly.

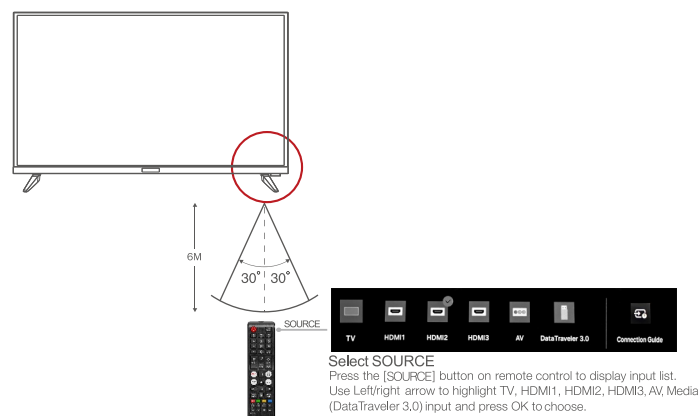

- 2 Take the base. Please align four holes of the base and four screw holes of the neck, insert the base to the neck, and then insert the 4 screws and tighten them.
