

DECLARATION

Date: September 26, 2017

I HEREBY DECLARE THE FOLLOWING REGARDING THE BELOW PRODUCTS:

1. "Two-Piece GPS Offender Tracking Device" AND "DV GPS Proximity Notification Unit" ARE MECHANICALLY AND ELECTRICALLY the same EXCEPT OF THE ENCLOSURE COLOR, Difference is by the product application on the field.

2. Both products are electrically the same and the only change is in the color of the cases: the composition of the painting doesn't have elements that can affect in RF behavior of the equipment. Because of this, part of the test results from 3M™ Two-Piece GPS Offender Tracking Unit (V6) remains applicable, valid and representative for the DV GPS Proximity Notification Unit.

3. In the following pages you can see the pictures showing that devices are electrically the same.
