

OEM Notice

This user manual is provided to OEM and Resellers of DTC's products. It is not intended to be used by end users.

Unauthorised Changes

DTC has not approved any changes or modifications to this device by the user. Any changes or modifications could void the user's authority to operate the equipment.

RF Exposure

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. The antenna should be installed and operated with minimum distance of 20 cm between the radiator and the user's body. Antenna gain must be below:

+1.8dB dBi

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Labelling Requirements for the Host device

The host device shall be properly labelled to identify the modules within the host device. The certification label of the module shall be clearly visible at all times when installed in the host device, otherwise the host device must be labelled to display the FCC ID of the module, preceded by the words "Contains transmitter module", or the word "Contains", or similar wording expressing the same meaning, as follows:

Contains FCC ID: XRFBluSDR6-210250

or:

Contains transmitter module FCC ID: XRFBluSDR6-210250
