

Modular Approval Request Letter

Mai, 05/2010

To Whom It May Concern:

Please be advised that the **W-LAN Modul**, with the FCC ID: XS3- FC9891-0000 would be certified as the Modular Approval.

We also assure the device complies with the requirements listed in the Public Notice DA-00-1407, details are listed as follows:

1. The modular transmitter must have its own RF shielding:
The radio portion of this module has been shielded.
2. The modular transmitter must have buffered modulation / data inputs:
The EUT has buffered data inputs, it is integrated in chip MAC/BB.
3. The modular transmitter must have its own power supply regulation:
The part number of this regulator is AME8800MEET-1.8V
4. The modular transmitter must comply with the antenna requirements of the Section 15.203 and 15.204(c):
The EUT meets the FCC antenna requirements. The spurious emission unique antenna connector and photo of antennas are shown in the test report.
5. The modular transmitter must be tested in a stand-alone configuration:
The EUT was tested in a stand-alone configuration. The EUT was plugged in a test kit.
6. The modular transmitter must be labeled with its own FCC ID number and, if the FCC ID is not visible when the module is installed inside another device, then the outside of the device into which the module is installed must also display a label referring to the enclosed module." Please see exhibition Label Sample for the FCC ID of this module.
7. The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements.
The EUT is complied with all FCC rules. Please refer to user's manual for detail
8. The modular transmitter must comply with any applicable RF exposure requirements:
The EUT is complied with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Sincerely,

A handwritten signature in blue ink, appearing to read "O. Schüffel".
