FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Sensixa Ltd. requests that the following documents regarding this submission for FCC ID: XSH-EARL1 be kept confidential:

Exhibit Type	File Name
Block Diagram	CONF APPENDIX XSH-EARL1_Block Diagram.pdf
Schematics	CONF APPENDIX XSH-EARL1 _Schematics.pdf
Operational Description	CONF APPENDIX XSH-EARL1 _Operational Description.pdf
Part list	CONF APPENDIX XSH-EARL1_BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which Sensixa Ltd. considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Sensixa Ltd. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Benny Lo". The signature is stylized with a large, looped "B" and a long, sweeping horizontal stroke.
