

## Non-Conformities FCC ID: XSYAIM4M1 (CKC CS Ref # E10-000009-FCC-01)

The items listed below represent requests for information following review of this application for certification under United States (FCC) regulations. Further question may arise pending review of responses to these items.

OK	ID	#	Non-Conformity or Comment	Submitted Response	Respondent / Date of Response
X	C	1	External Photos of the device were not provided. Seeing as you are going for LMA internal photos of the device are legitimate to be provided. If Confidentiality is wanted for Internal and External Photos you may provide a temporary confidentiality letter for these items.  As long as the back and front of the module are shown... shielding can be included. <b>OK – CKendall 1/27/10</b>	There is no package for external photos. I could copy the internal photos to a new file and delete the PC board pictures from it. Would that be okay?  Provided photos.	26jan10 holcomb  26jan10 holcomb
X	C	2	CKC CS General Agreement was not provided for the applicant Alektrona Corporation. Please provide a signed copy of the General Agreement for Alektrona Corporation signed by the Grantee Contact. <b>OK – CKendall 1/27/10</b>	Provided you have the agreement now.	26jan10 holcomb

The items indicated above must be submitted before processing can continue on the referenced application. Failure to provide the requested information within 60 days may result in application dismissal pursuant to Section 2.917(c) and forfeiture of the filing fee pursuant to Section 1.1106.

### *How to read the table:*

OK column indicates closure by CKC CS.

ID column is for use with Agents to assist in identifying the probable source for closure.

A – Application issue

TL – Test lab issue

C – Client issue

R – Retesting may be necessary

# column indicates unique or separate non-conformity items (note some items may be related).

**Non-Conformity or Comment** column indicates the evaluators specific question or comment.

**Submitted response** column indicates the response or a summary of the response provided.

**Respondent / Date of Response** column indicates the responding party or agent and the date of the response was either received or logged.
