Attestation Letter

To whom it may concern:

We, TRENDNET, Inc. declare that there have been no hardware changes to the device since the original approval that impact RF performance or compliance.

Furthermore, we attest that the antenna type and gains listed below are the worst case for the client only module. We acknowledge that only antennas of this type (PIFA) with equal or less gains (dBi) than shown below are permitted for use with this device without further evaluation. This device complies with all antenna limits as described in 15.247(d).

TYPE	GAIN	ANTENNA CONNECTOR
PIFA antenna	0 dBi	UFL

If you have any questions regarding the authorization, please don't hesitate to contact us.

Thank you!

If you should have any question(s) regarding this declaration, please don't hesitate to contact us. Thank you!

A handwritten signature in blue ink, appearing to read "Wen Tsai", with a stylized flourish at the end.
