To: Whom it may concern
Subject: Authorization to Fusion Wireless

To whom it may concern,

Fusion Wireless is manufacturing a CDMA Rev A miniPCle module (Fusion Wireless model FW 2770p) compliant to a reference design provided by Via Telecom which has already been certified under FCC ID: X2U-SHAMU-PCIE. Via Telecom hereby authorizes Fusion Wireless to leverage the Via Telecom FCC certification and test results for their own FCC and IC certification.

Sincerely,
