## Model Confirmation Letter

We, Xtreme DSP Global Pte Ltd certify the product: VERTIX Silencer VX2  
And items No.: VERTIX Silencer VX2a, VERTIX Silencer VX2i

Are similar in electrical circuit design, layout, components used and internal wiring,

The only items which may differ are in physical design, finishings and battery capacity.

Physical design means :

The design outlook (or ID as it is commonly known) is different. For example, we use a different shape or make the product thinner, or change the placement of the microphones, earpiece, change the earpiece design, etc. In other words, it is purely for physical design changes for the finished product.

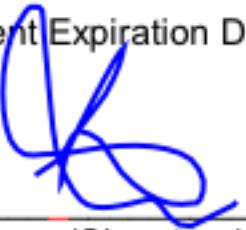

Finishings mean :

The choice of colour, type of finishings (eg matt, rubbery, shiny) or simply embossed or printed designs, transparent casings, etc.

As for battery capacity, it can be increased or decreased to match the corresponding design changes.

Agency Agreement Expiration Date: 12 MONTHS
