Subject: Cameo Certification Application  
FCC ID: XUWX400LITE

To Whom It May Concern:

Camero requests that the following exhibits will be withheld from public disclosure:

- Schematics
- Parts List
- Block Diagrams
- User Manual
- Internal photos
- Theory of operation

The XAVER™ 400 LITE is not a consumer product therefore all of these exhibits are not in the public domain. The material for which confidentiality is sought contains highly confidential, proprietary intellectual property and knowhow which was developed by Camero with private funds over the last five years. This material, if made public will hurt Camero considerably in the existing competition in the market place.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in dark ink, consisting of a series of loops and strokes, positioned to the right of the word "Sincerely,".

David Gazelle,

VP R&D.
