connect

CAUTION: To use this product properly, please read the user's guide before installation

System Requirement

- Only for iPad
- Bluetooth version 2.0

Installation Guide

Step 1. Keyboard pairing

- **Turn on the power switch, the blue LED will be lighted for 2 seconds, then the light will go off.**
- Press the “connect” button for 1-3 seconds, the blue LED on the keyboard should now be periodically flashing.
- Turn on and unlock iPad, click on the iPad <settings>icon
- On the settings menu, select item <general>to access<Bluetooth>settings. Click on<Bluetooth>to turn on the connection. iPad will automatically search for a Bluetooth device.
- Bluetooth keyboard found, click on the device to connect.
- Enter the password code as displayed on screen.
- Bluetooth keyboard connected successfully.

Step 2. Charging the battery

When to charge

- 1 First-Time Use: Please charge at least 6 hours for the first time usage and charge at least 2 hours when battery runs low
- 2 Blue LED Blinking: When the blue LED starts blinking, it means the battery is nearly empty

How to charge

Plug the USB cable into your keyboard and computer by USB port respectively and it starts charging. Keyboard can work uninterruptedly during charging.
