Re: Request for Confidentiality

FCC ID: XX3-48M

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47CFR §§0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential document from public disclosure indefinitely.

- Schematic Diagram
- Block Diagram
- Theory of Operation
- Parts List

The above mentioned documents contain detailed system and equipment descriptions and are considered as proprietary information in operation of the equipment. The public disclosure of the above documents might be harmful to our company and would give a competitor an unfair advantage in the market.

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request on the following attachments until February 20, 2010.

External Photos / Internal Photos / Test Setup Photos / User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Best regards,
